

## Learn Independent

Workday offers a wide range of training and education services to help our customers and our partner ecosystem optimize their Workday investments and most efficiently adopt and use Workday.

### What Is Learn Independent?

Learn Independent is a convenient way to incorporate Workday education into your existing schedule. This self-paced training combines videos, interactive exercises, quizzes, and tests into a comprehensive and flexible online learning curriculum. Sharpen your team's skills and increase their knowledge about Workday conveniently—no travel required.

Learn Independent allows your core project team to perform training activities in a Workday training tenant. We recommend that your core team take this training before deploying Workday so they can build the knowledge they need to design, architect, and configure Workday.
