Which of these contracts automatically renew before 2026?

Based on my review, there are 3 contracts that automatically review before 2026:

1. Master Services Agreement with Acme Co. - automatically renews for 12-month periods after the initial 24-month term starting March 1, 2024, unless terminated with 60 days notice ¹

2. Master Services Agreement with MegaCorp - automatically renews for successive 3-year periods after the initial term ending September 30, 2025, unless notice is given 1 year prior ²

3. Master Services Agreement with Picante Automation - automatically renews for additional 3-year terms after initial term ending January 23, 2026 unless terminated upon a Cause Event ³

For Claire, in-house counsel, contracting used to mean painstaking review and redlining of pre-signature agreements, followed by critical contract terms vanishing into repositories no one could query. Now, Legal Agent flags risky terms, proposes redlines, and accelerates negotiations. **Countless hours of review and analysis, reduced to mere minutes.**

Know everything about your contracts — before and after signature.

Just ask, and **Legal Agent** gives reliable answers, simplifies negotiations, and tracks critical terms across every signed agreement.
